

Privacy Policy for Treeco Solutions

We respect your privacy. We collect only the information needed to provide lawn care, PHC, tree services, and mosquito/tick control. This includes your contact details, property information, service history, and billing details. Jobber may also collect information needed for scheduling, invoicing, and payments.

We use your information to provide services, send reminders, process payments, and meet NJDEP pesticide record requirements. We do not sell or rent your information.

Your data is stored securely in our systems. Payments are processed by secure third-party processors. We never see or store your full credit card number or your bank account information.

By providing your phone or email, you agree to receive service reminders, updates, invoices, and receipts. You may opt out anytime.

You may request to update, correct, or review your information. Non-regulatory data can be deleted upon request.
